Primadonna Classical Tutu Basic Info

- Primadonna Classical Tutus come in two basic styles, **LOW HIP** and **HIGH HIP**:

The **LOW HIP** version has an L after the style number such as **725L** and the tutu layers begin approx **4" below the waist**.

The **HIGH HIP** version (euro style) has a D after the style number such as **729D** and the tutu layers begin approx. **2" below the waist**.

- All basques on Primadonna tutus are lined with twill. Basques can also be made in customer supplied outer fabric, please contact for more info.
- A sprung steel hoop is used on some styles to create a rigid, stable tutu that also helps support added weight of surface decorations or top plates.
- All classical tutus are built on soft, mesh panties with adjustable leg elastics and have attached storage loops.
- Primadonna tutus have no closures. Loose hooks and eyes are included with instructions for placement, tacking tutu layers together and attaching tutu skirts to bodices.
- When choosing the number of layers and length of a classical tutu skirt, the dancers size and height should be taken into consideration. If in doubt please contact us at 800-677-7097 or info@primadonnadance.com.
